Defendant.)	

THIS MATTER IS BEFORE THE COURT on Plaintiff's "Motion To Seal" (Document No. 345) filed November 30, 2020. In accordance with the Local Rules, the Court has considered the Motion to Seal, the public's interest in access to the affected materials, and alternatives to sealing. The Court determines that no less restrictive means other than sealing is sufficient inasmuch as United States' Response Opposing Motions For Compassionate Release And Home Confinement contains sensitive and private information that is inappropriate for public access, including medical information. Having carefully considered the motion and the record, and for good cause, the undersigned will grant the motion.

IT IS, THEREFORE, ORDERED that Plaintiff's "Motion To Seal" (Document No. 345) is **GRANTED**, and the United States' Response Opposing Motions For Compassionate Release And Home Confinement (Document No. 344-1) is sealed until further Order of this Court.

The Clerk is directed to certify copies of this Order to the United States Attorney's Office.
